Peter Skotner

Head of Project Management & Communication

UNEP

UNEP is the voice for the environment within the United Nations system

UNEP's **mission** is to provide leadership and encourage partnership in caring for the environment by inspiring, informing, and enabling nations and peoples to improve their quality of life without compromising that of future generations.

Budget:

- 630,000,000 USD

Staffing number:

- 850

Head quarter:

- Nairobi, Kenya and six regional offices

Six strategic priorities:

- Climate change
- Disasters and conflicts
- Ecosystems Management
- Environmental governance
- Harmful substances
- Resource efficiency

UNEP in Copenhagen

- Part of the Technology Mechanism of the United Nations Framework Convention on Climate Change
- Mission: To stimulate technology cooperation and enhance the development and transfer of technologies to developing countries
- Consists of a “technical resource pool” of 11 Centres of Excellence
- 10 staff members

- Collaboration between UNEP, Danish Ministry of Foreign Affairs and DTU
- Research, policy analysis, and capacity building activities to support UNEP's Programme of Work
- Works on climate mitigation and adaptation projects in 68 countries
- 62 staff members

#DjoefUN

UNICEF promotes the rights and wellbeing of every child, in everything we do. Together with our partners, we work in 190 countries and territories to translate that commitment into practical action, focusing special effort on reaching the most vulnerable and excluded children, to the benefit of all children, everywhere.

Supply Division focuses on:

- Service delivery
- Emergencies
- Product innovation
- Influencing markets
- M & E
- Strengthening government supply chains

UNOPS

- WHO WE ARE

As an operational arm of the UN, we help our partners deliver more than \$1 billion worth of aid and development projects every year. They call us to supplement their own capacities, improve speed, reduce risks, boost cost-effectiveness and increase quality.

UNOPS is a not-for-profit organization and is fully self-financing, prompting efficiency and financial discipline.

We provide support in three main areas:

Sustainable infrastructure

Sustainable procurement

Sustainable project management

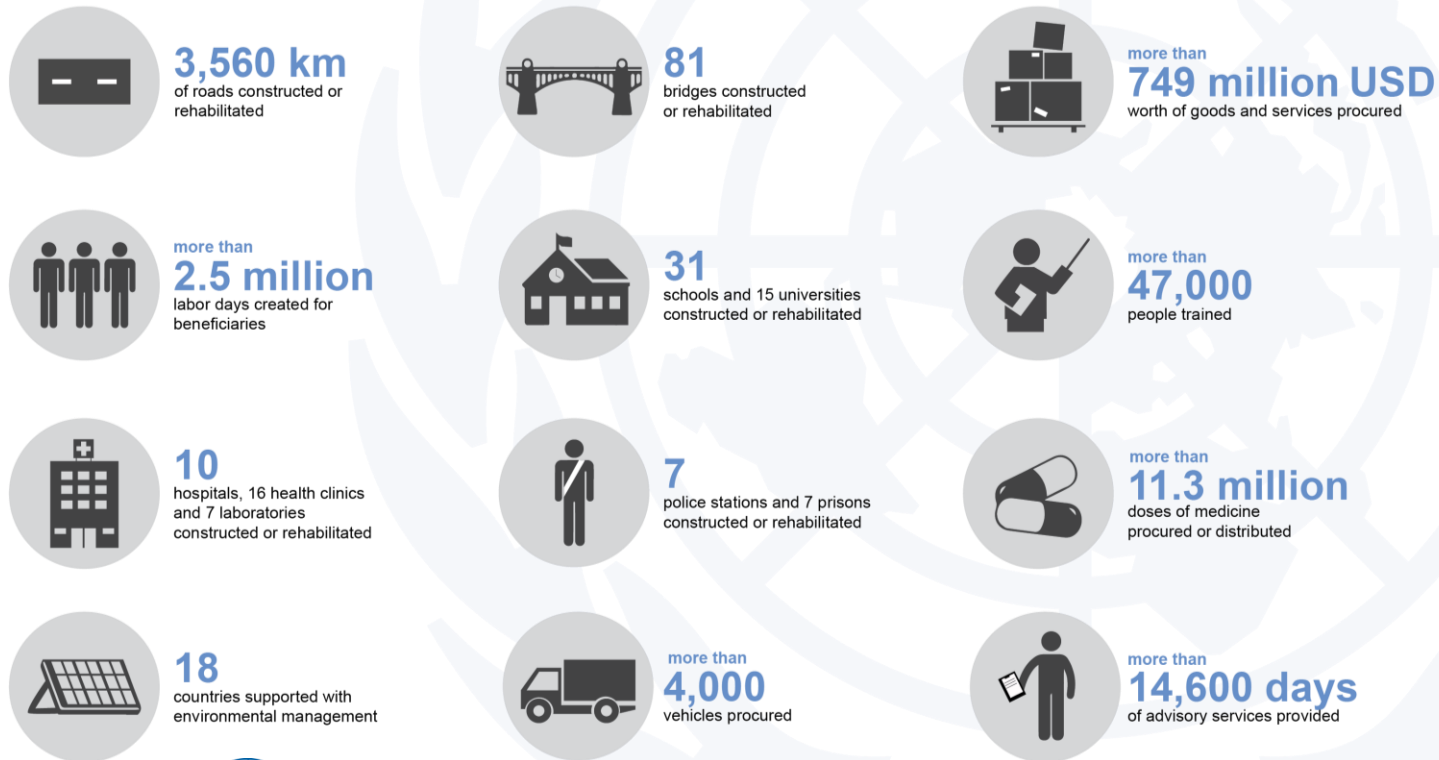

- THE UNOPS TEAM

UNOPS has a diverse mix of over 7,000 talented and committed personnel with expertise in various fields.

Working in over 80 countries, UNOPS delivers its services through global headquarters in Copenhagen, Denmark and a decentralized, flexible network of more than 20 country and liaison offices.

WHO constitution, 1946: The highest attainable standard of health is a human right. Health is the state of complete physical, mental and social well-being, not merely the absence of disease or infirmity.

WHO Regional Office for Europe: Health 2020, the European health policy framework seeks to reduce health inequalities, strengthen public health and make sure health systems are equitable, sustainable and high quality.
